Correct Event and Location

To ensure that participants are registering for the correct Festival event(s) of their choice, please look carefully at the letter (A - G) that appears before the day of each event.

These letters correspond to a specific event that can be found in the description pages.

A copy of your registration will be sent to you along with your confirmation.

Please refer to your registration form so that you arrive on time and at the correct location.

Our Festival maps also have these corresponding letters to help participants find their way to the event(s) that they have registered for.

Remember, buses and boats leave "sharply" at their listed departure times.

Reservation and Fees:

Participation for pre-paid events is limited and allotted on a first-come, first-served basis.

Payment must accompany your Event Registration Form. You will receive confirmation of your reservation upon payment.

All events requiring payment are indicated with (\$) in the events schedule.

Cancellation Policy:

This is a rain or shine event. Due to the expenses involved in hosting this event, we must rely upon a policy of advanced payment.

Refunds will be given up to two weeks prior to festival, less 10% and no refunds after two weeks prior. Events will be cancelled if the officials determine Horicon Marsh is unsafe due to severe weather.

If this occurs, you may request a refund less handling fees.
